

8th MUNICH VASCULAR CONFERENCE 2018

... where doctors meet science

Don't
miss

06-08 December | Klinikum rechts der Isar | Munich | Germany

Chairman

Hans-Henning Eckstein
Munich, Germany

Co-Chairmen from Munich, Germany:

- Holger Poppert
- Claus Zimmer
- Lars Maegdefessel
- Wolfgang Wall
- Michael Gee
- Ingo Flessenkämper

Cutting-edge in research, imaging, and therapies for acute and chronic arterial, and venous diseases. View now:

8th MUNICH VASCULAR CONFERENCE 2018

... where doctors meet science

Don't
miss

PROGRAMME

Abstract submission until June 30, 2018

www.mac-conference.com

CAROTID DISEASES

- Update on carotid trials and registries
- Asymptomatic carotid stenosis and cognitive impairment
- Asymptomatic carotid stenosis – individualized therapy
- Haemodynamic factors in carotid atherosclerosis
- Carotid plaque erosion and plaque vulnerability
- Cerebral ischemia in the posterior circulation

AORTIC DISEASES

- Aortic trials and registries
- Epidemiology of aortic diseases
- Rupture risk assessment for aortic aneurysms
- Imaging of the aorta – from ultrasound to finite element analysis
- Prediction of Type II Endoleaks and how to prevent them
- Genomics and proteomics in aortic diseases

PERIPHERAL ARTERIAL DISEASE (PAD)

- Trials and registries on PAD
- Angiosome directed revascularization
- Update on atherectomy and drug-eluting technologies
- Popliteal aneurysms – when and how to intervene
- Advances in the treatment of acute limb ischemia
- Imaging and translational research

VENOUS SYMPOSIUM

- How to organize a venous center
- Critical assessment of the current ESVS guidelines on chronic venous diseases
- Endovenous options in primary varicosis
- Advances in the treatment of venous ulcers

WORKSHOPS AND SEMINARS

- Innovative (endo)vascular technologies
- Intensiv seminars on clinical decision-making
- 1-day course on radiation safety

ABSTRACT and SHORT COMMUNICATIONS SESSIONS (with prizes)
